

Double CD case

©1999 Jorma Oksanen

Free for non-commercial use as long as my name is included with diagrams.

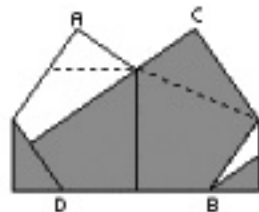

A4 or letter size paper.
You can print a label
as shown

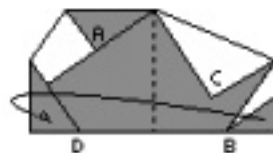

Fold B to D, unfold

Fold B and D between one third
and one fourth to the center.
One fourth if using letter size

Fold A and C down - this isn't
symmetrical

Refold step 2, inserting D
into B

Pull corner C out and insert
it into the pocket behind
